

## National Health Information Technology (HIT) Patient Family Advisory Council (PFAC) Application

The National HIT PFAC is an impartial group of patients and families who are committed to improving the ability of technology to support the patient-provider relationship. Partnering with patients and families, we aim to focus on HIT topics related to innovations, patient portal utilization, and local hospital or health system HIT PFACs.

Thank you for your interest in joining the National HIT PFAC. Please complete the following application and return to Lindsey Galli at lindsey@pfccpartners.com.
